

Billy Swift

Chapter 1 by Jasper James

Yeah, I know Billy Swift. He used to come in here every day. He'd buy the same kind of gum. He never said too much... just always had a big smile on his face. He was always dressed. I mean dressed. He made sure to take off his hat, though when he came through the door. He'd nod to the ladies. He was like Jimmy Stewart. Yeah... that was him. That's why it was so shocking when we heard.

Chapter 2 by Lewis Convery

You say he didn't talk very much, do you know anyone who may have spoken to him on a personal level? It's important we find out just as much as we can from the leads we have Mr Caprice, as I'm sure you're aware he didn't have very many members of his family after the awful incident at his family home.
